How to login to Tempus

Login page provides different options for user to login.

If you are enrolled to a course with LinkedIn videos, proceed to Portal Login.

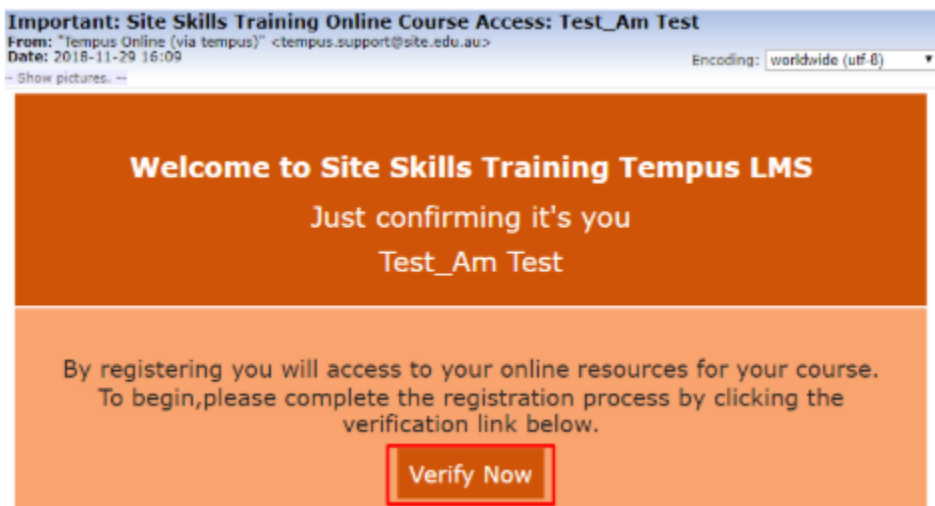

Otherwise, you may use the Usual Login. This guide shows you how to do both.

Welcome to Tempus.

1. Usual Login (Login)

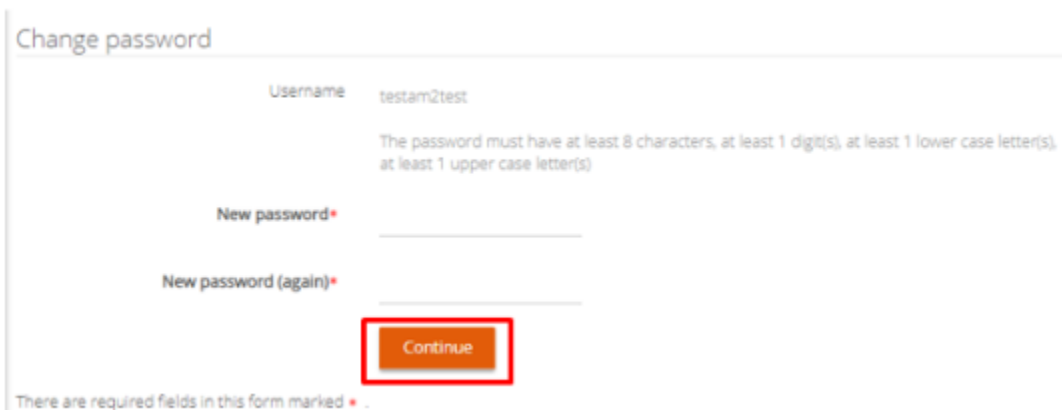

1. Go to your registered email and look for the message from Tempus Support.

Click Verify Now.

1. Clicking Verify Now should direct you the Tempus page. Put on your password on Change password page. Then, click continue.

Take note of your username and password as you will use them when you log back in again.

The image shows a web form titled "Change password". It has a "Username" field with the value "testam2test". Below it is a password strength indicator: "The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s)". There are two password input fields: "New password" and "New password (again)", both marked with a red asterisk. At the bottom right, there is a red-bordered button labeled "Continue". At the bottom left, there is a note: "There are required fields in this form marked *".

NOTE: A confirmation message should be sent to your registered email address. This contains your username, access expiration, and other relevant details.
