How to enable pop-up from browser

This article will help you enable tempus pop-ups from your browser.

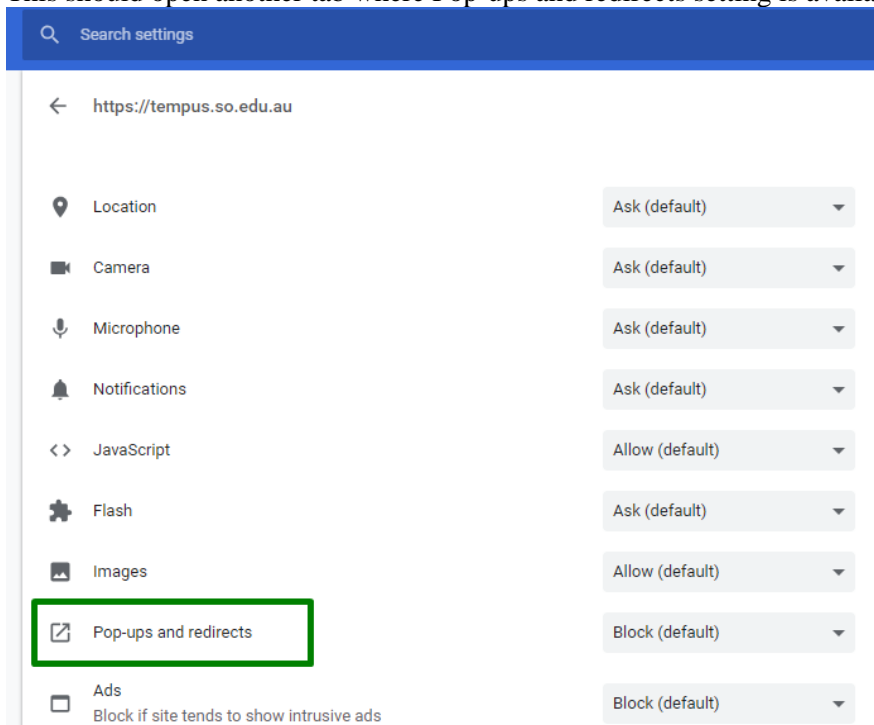

Enabling pop-ups for tempus site allows you to play LinkedIn courses within your course.

For Google Chrome

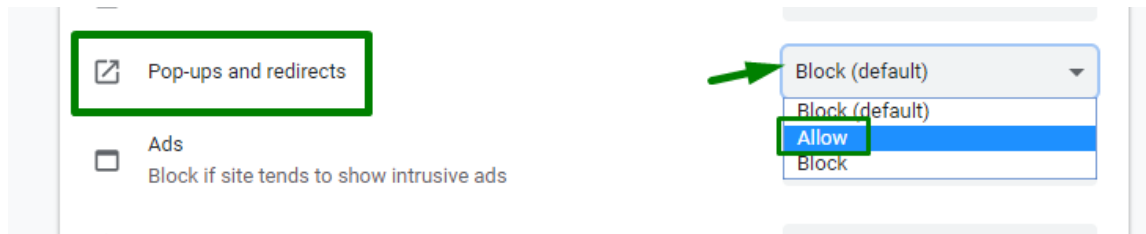

1. Open Google Chrome and go to the Tempus website: <https://tempus.so.edu.au/>
2. While on Tempus, right click on the icon beside tempus address. Then, click Site settings.

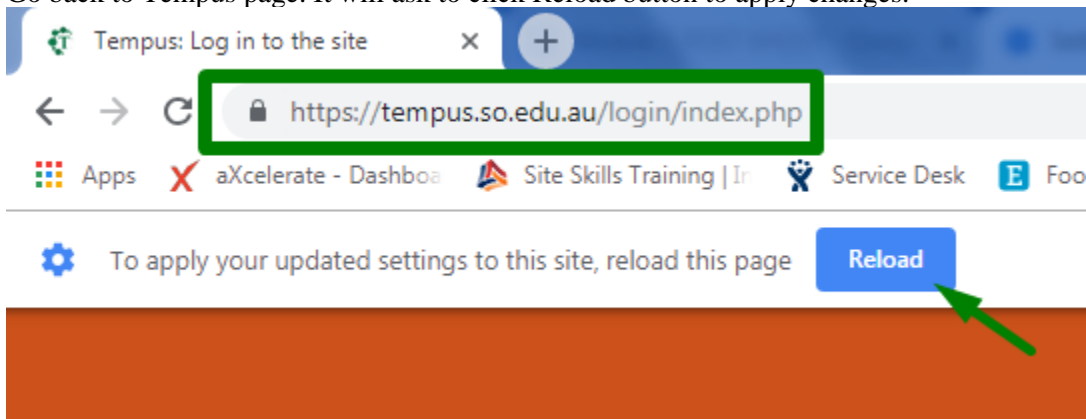

1. This should open another tab where Pop-ups and redirects setting is available.

1. Click the drop-down option for Pop-ups and redirects and select Allow.

1. Go back to Tempus page. It will ask to click Reload button to apply changes.

NOTE: Refresh your browser if pop-ups are still blocked.

For more information and other guides on how to enable pop-ups on different browsers and on your mobile browser, click this [link](#) to enable all pop-ups or this [link](#) for enabling pop-ups for certain websites only.
